## mini

Distributing a brand new small powerful device,  
the **mecAsset Mini** from **MECOMO AG**  
for the 2020 worldwide 2G → 4G telecom revolution!

- Worldwide intermodal asset tracker – anywhere, anytime
- Compact: 8,7 x 5,1 x 3 cms (3,35 cms with magnet)
- Realtime End-to-End Supply-Chain Visibility
- Powered by:
  - primary cell batteries (CR123A); changed by user
  - or rechargeable batteries by induction (QI standard)
- No cables, no wires = autonomous
- Performance: 1 position/day for up to 4 years
- Precise radio- and wifi-localisation
- Guaranteed operational temperature range: -25°C to +60°C
- IPX7
- With temperature and light sensors
- Optional magnets, industrial Velcro or adhesive tape underneath
- Low-end price – high-end quality !

### Designed for:

- IBCs, ULDs, pallets, crates, boxes, pipelines,
- containers, tanktainers, wagons,
- swapbodies, trucks, trailers,
- motorbikes, bikes,
- mobile-homes, caravans,
- boats, yachts, barges,
- construction site material, agricultural machinery, municipal council equipment
- military equipment,
- persons

### Main advantages:

- ✓ Comprehensive remote management platform
- ✓ Batteries:
  - long life & easy to change (set of CR123A consumer batteries)
  - or in-built rechargeable batteries on standard QI induction plate
- ✓ Robust & IPX7
- ✓ Fully autonomous, no other power required (no ignition, no vehicle battery cable, no cigar-lighter, no cables ....)
- ✓ Easy installation – with magnets or Velcro
- ✓ No maintenance
- ✓ World or European coverage:
  - 2G/3G being progressively switched off : this new device is 4G catM1/LTE-M (Fallback 2G)

### Technical Data:

- Size: 8,7 x 5,1 x 3 cms
- Weight: 120 g + batteries
- IPX7
- Smartphone compatible
- Set professional 3V primary Lithium batteries
- Or recharge by induction (QI standard)
- 4G catM1 / LTE-M (Fallback 2G) (as 2G/3G being progressively switched off in some countries)
- GPS & cell-ID inventory positioning
- Status & GPS LEDs
- Integrated antennae

### Option

- 4 magnets underneath
- Industrial Velcro or adhesive tape

temperature sensor inside
